- Prioritize actions from Paul Wormeli's sustainability pdf:  
<https://github.com/niemopen/nbac-admin/blob/main/2025-tsc-workgroup/wormeli-docs/NIEM%20Open%20Sustainability.pdf>
- Referenced talking points which can be use as a basis for construction a "unified message" : [https://github.com/niemopen/nbac-admin/blob/main/2025-tsc-workgroup/The%20new%20NIEMOpen%202025%20\(1\).docx](https://github.com/niemopen/nbac-admin/blob/main/2025-tsc-workgroup/The%20new%20NIEMOpen%202025%20(1).docx)

- This list constitutes the first priorities on the TSC Working Group
  1. Develop a unified message designed to gain contributions, with tailored versions for each audience
  2. Push out the message through social media, emails to the NIEMOpen community, and other groups
  3. Ask current domain stewards to become sponsors
  4. Ask new domain stewards to become sponsors
  5. Send individual appeals to major companies (e.g., Microsoft, Google, Amazon, Apple, IBM)
  6. 6. Ask major associations for their support in fund raising—NAJIS, NASCO, NACO, others
- Assemble a list of domain sub-committee POCs
