

Invitation: NBAC/NTAC Meeting 16-17 Apr 2025
3/5/2025

The dates for the NIEMOpen NBAC/NTAC meeting have changed. The new dates are 16-17 April. (Wednesday & Thursday). The IJIS Institute, located in Ashburn, VA has graciously provided use their conference facility for our meetings. We invited OASIS staff participation and Jim Cabral will likely attend on the 16th. The meetings are expected to start at 9 AM EDT and finish at about 4PM EDT daily. Please encourage other NBAC/NTAC members to attend, especially those in the National Capitol Area. Current thinking is to provide an afternoon window for virtual participants. I have started an agenda (attached) and will provide a final readahead as the meeting date approaches. Please recommend topics for discussion. We expect to have a no host dinner for attendees the evening of the 16h at Clyde's.
