

Hello Mark,

Welcome to NIEMOpen!

Our next event is on Tuesday, August 1st, starting at 6 pm. Please plan to arrive by 5:30 to network with fellow members while enjoying some pizza and soda. Our meetings are highly engaging and provide valuable networking and learning opportunities, so please to RSVP soonest to help us plan for enough seating and pizza, by visiting our meetup group website at <https://www.meetup.com/ISSA-Hampton-Roads/>.

When you attend our events, you will more than receive your money's worth. We keep our value high for our Hampton Roads Chapter, and much of that is thanks to our content and sponsors.

Aside from special events, or if you register late, you won't typically have to pay for our local events when you register in advance. They usually include light dinner, leading edge speakers and topics, CPE certificates for 4 hours, and lots of networking time. Job opportunities are also announced at meetings (and posted online).

We meet the first Tuesday of each month. We hold and sponsor volunteership special community events, and host certification study groups.

Please come and introduce yourself when you come to our September event.

If I can assist you with ISSA or our chapter, please let me know.

Thanks,
KatherineEscobar
