ISSA International Mission Statement

ISSA is a nonprofit organization for the information security profession committed to promoting effective cyber security on a global basis.

- Being a respected forum for networking and collaboration
- Providing education and knowledge sharing at all career lifecycle stages
- Being a highly regarded voice of information security that influences public opinion, government legislation, education and technology with objective expertise that supports sound decision-making"

ISSA International Core Values and Goals

Core Values

- *Integrity:* Evidenced by a reputation for trustworthiness earned through ethical, fair, transparent, and professional behavior.
- *Excellence*: Evidenced by a commitment to expertise and experience in our field.
- *Respect*: Evidenced in appreciation of the value of diverse perspectives and experience in promoting a culture of leadership and innovation in a global organization.

Strategic Goals

- *Goal A: Leadership:* ISSA will lead the global security community collaboration to protect society from security threats.
- *Goal B: Program:* ISSA will provide the profession with highly qualified practitioners and high quality education and training.
- *Goal C: Influence:* ISSA will serve as a respected and trusted source and advisor on information security related technology, education, standards, and legislation.
